

Military transition action timeline: 6 months

Evaluating places to live

Gather additional information on where you want to consider living when you leave active service. Check out VA facilities and benefits, cost of living, home and rental prices. In addition think about the following: family, cultural and outdoor activities, education and weather. Gather information on tax friendly states and those with special benefits for veterans.

Location	Evaluation	Notes
City: Cost of living Home prices Rental process Job market Schools Cultural activities Outdoor activities Weather
