

Military transition action timeline: 6 months

Evaluating places to work

Write down some of the jobs or companies you are interested in. For each one do some research on the culture and potential benefits, then document what you find out. Identify which companies or jobs are most in line with your goals.

Location	Evaluation	Notes
Company/job: Product/service Salary Stability Work environment Location Career path Match to my skills		
Company/job: Product/service Salary Stability Work environment Location Career path Match to my skills
